The HDtracks Ultimate Download Experience

Welcome to HDtracks, the source for Master Quality Music Downloads. Founded by David and Norman Chesky of Chesky Records, the Chesky brothers have produced some of the finest analog audiophile recordings of the last 25 years. Now, through HDtracks, they bring the same integrity and fidelity to HDtracks digital downloads.

Compared to other websites, HDtracks offers dramatically higher quality music downloads. HDtracks' vast and growing selection features new as well as iconic releases from every major record label and 100s of your favorite indies, across all genres, rock, classical, blues, jazz, world... You can now own a digital download that brings you into the recording studio with your favorite artists! You will hear the difference. Our Master Quality files are available as high quality AIFF, ALAC, WAV and FLAC and can be played back on most media players:
